wing, and a physical therapy area with activities for daily living will be designed to provide a higher level of care for the residents, according to the news release. Also coming will be a new dining room and lounge spaces.

An ice cream parlor and country store will be added, along with a beauty salon and barber shop. There will be 69 additional parking spaces, a courtyard with walking path, and landscaped berm south of the building.

Lemont Nursing & Rehabilitation Center, a provider of skilled nursing and rehabilitative care services, recently received a 2016 Customer Experience Award from Pinnacle Quality Insight. The center scored the highest in customer satisfaction in therapy services in Illinois, the release stated, citing a continued dedication to providing best-in-class senior healthcare services.

“For us to be awarded this distinguished award is truly an honor and a privilege,” Lisa Hardaman, administrator of the center, said in the release. “Knowing that all of the hard work our team is putting in each day is being recognized by the residents and their families goes a long way, and helps us continue to better our surroundings.”

Lemont’s state-of-the-art therapy gym utilizes the NASA-designed Alter-G anti-gravity treadmill, enabling non-weight bearing residents to regain strength and mobility by reducing
